The Health Department offers quarterly sharps collection opportunities for residents. All new, used, and unopened sharps (needles, syringes, lancets, epi-pens, etc.) must be brought to the collection site in FDA approved sharps containers. Loose sharps, sharps in original packaging, or sharps in unapproved containers will not be accepted. FDA approved sharps containers are available for purchase at your local pharmacy or through the Arlington Health Department at drop-off on the above dates, at a cost of \$10 for small containers or \$20 for large containers.
